v1.0

COOKIE POLICY

1. ABOUT THIS POLICY

This Cookie Policy explains what cookies and similar technologies we use on the website <https://aurra.ink> (the "Site"), and how you can control them.

The Site is operated by **Trevonix OÜ** (trading as "Aurra"), registry code 17304885, Vesivärava tn 50-201, Kesklinna linnaosa, Tallinn, Harju maakond, 10152, Estonia.

This Policy forms part of, and should be read together with, our Privacy Policy at <https://aurra.ink/legal>, which explains more broadly how we handle personal data and what rights you have.

This Policy covers the Site only. It does not cover the payment platform you reach after signing in — see Section 4.

2. WHAT COOKIES ARE

Cookies are small text files placed on your device when you visit a website. They let a site remember your actions and preferences, keep you signed in, and measure how the site is used.

Cookies set by us are **first-party**; cookies set by a service we have embedded are **third-party**. **Session** cookies are deleted when you close your browser; **persistent** cookies stay until they expire or you delete them.

We also use **local storage** (similar to cookies, but with more capacity) for interface preferences, and **pixels** in some emails to tell us whether a message was opened.

3. COOKIES WE USE

3.1 Strictly necessary

Required for the Site to work and to keep it secure. These cannot be switched off through the cookie banner, and we do not need your consent for them.

Name	Purpose	Duration	Type	Provider
aurra_session	Maintains your session state while you browse	Session	First-party	Aurra
csrf_token	Protects forms against cross-site request forgery	Session	First-party	Aurra
cookie_consent	Remembers your cookie choices	6 months	First-party	Aurra

Name	Purpose	Duration	Type	Provider
__cf_bm	Bot and abuse protection	30 minutes	Third-party	Cloudflare

3.2 Analytics

Help us understand how many people visit the Site, which pages they read, and where they arrive from. Set only if you accept them.

Name	Purpose	Duration	Type	Provider
_ga	Distinguishes unique visitors	2 years	Third-party	Google
ga<ID>	Maintains analytics session state	2 years	Third-party	Google

3.3 Functional

Remember your preferences. Set only if you accept them.

Name	Purpose	Duration	Type	Provider
locale	Remembers your language and region	1 year	First-party	Aurra
theme	Remembers light or dark display mode	1 year	First-party	Aurra

3.4 Marketing

Measure the effectiveness of our advertising and let us show you relevant ads elsewhere. Set only if you accept them.

Name	Purpose	Duration	Type	Provider
_fbp	Measures ad performance and attribution	3 months	Third-party	Meta
_gcl_au	Measures ad conversions	3 months	Third-party	Google

If you reject analytics, functional and marketing cookies, the Site still works — you will simply see less relevant advertising, and we will have less insight into how the Site performs.

4. COOKIES ON THE NOTA PLATFORM

When you select "Sign in," "Sign up" or an equivalent action and move to the payment platform, you enter an environment operated by **Nota Inc.** (Ontario, Canada, OCN 1000640793).

The cookies set there are Nota's, not ours. Nota decides what it places on your device, and its own cookie and privacy policies apply. Your cookie choices on aura.ink do not carry over, and we cannot change or withdraw consent on Nota's side for you.

This is the case even where the interface still shows Aurra branding or an aura.ink address.

5. LEGAL BASIS

Strictly necessary cookies do not require your consent under applicable law, because they are needed to deliver the service you asked for. Where the resulting data is personal data, we process it on the basis of our legitimate interest in a secure, functioning website.

All other cookies — analytics, functional and marketing — are placed only with your consent. Consent is optional, is asked for before any such cookie is set, and can be withdrawn at any time without any consequence for your use of the Site.

We ask again for your choices every 6 months, and whenever we add a cookie that materially changes what we collect.

6. MANAGING COOKIES

Our banner. You choose when you first visit the Site. You can change or withdraw your choices at any time through the "Cookie settings" link in the footer.

Your browser. Every major browser lets you block or delete cookies. See its help pages. Blocking strictly necessary cookies may stop parts of the Site from working.

Third-party opt-outs. Google Analytics: <https://tools.google.com/dlpage/gaoptout>. Google ad settings: <https://adssettings.google.com>. Meta ad preferences: <https://www.facebook.com/ads/preferences>. EU-wide: <https://www.youronlinechoices.eu>.

Do Not Track. There is no agreed standard for how sites should respond to browser "Do Not Track" signals, so the Site does not currently respond to them. Use the cookie banner instead.

7. INTERNATIONAL DATA TRANSFERS

Some cookie providers may be located outside your country.

Google, Microsoft and Meta participate in recognised international data transfer frameworks. Where a provider is not covered by an adequacy decision, we use the European Commission's Standard Contractual Clauses. You can request details at info@aura.ink.

8. CHANGES

We may update this Policy to reflect changes in the cookies we use, in technology or in the law. The current version is always published at <https://aurra.ink/legal> with the date above. If a change materially affects what we collect, we will ask for your consent again.

We keep version control and an update log for this Policy for at least five years. Previous versions are available on request to info@aurra.ink.
